

**WANIC Skill Center
Barrier Reduction Fund Application 2020 - 2021**

This program provides assistance and eliminates barriers to a student's success in an educational program. Students qualify for financial support if they are eligible for the Free/Reduced Lunch program at their home high school and are enrolled in a 3 credit Skill Center Program. These funds may be used to pay for a class fee, bus pass, gas card, program specific supplies, and other approved expenses. Funds may not be used for expenses that are not required for participation in a WANIC program. Funding is subject to availability from the State of Washington. WANIC office personnel verify information the family provides matches the records at the student's home high school. Please complete the following:
